Large Dedicated Winter Tractor Snowplough and Gritter

Product Description

A tractor / gritter / snowplough combination for winter maintenance duties working in a wide range of applications including keeping large manufacturing plants and distribution centres open, car parks, roadways on estates and country lanes clear. Capable of spreading wet or dry, brown or white salt via its unique POZI-FEED stainless steel auger system.

Vale SP2400 Snowplough

- Front mounted snowplough designed for effective snow removal
- 2.4 metre blade width
- Manually angling with three positions – bulldoze, snow to the left, snow to the right
- Hydraulic raise/lower and float from inside the cab
- Two height adjustable castor wheels to maintain correct operational height
- Abrasion resistant rubber wearing edge

Vale MS800 Tractor Mounted Gritter

- 0.8m³ Mild Steel Hopper to take approximately 1000kg of Salt
- Hydraulically driven stainless steel disc, with adjustable spread width from 1.8m to 8m
- Manually adjustable spread width valve (graduated)
- Symmetric and asymmetric patterns achievable using a manually adjustable chute
- 150mm Stainless Steel “Pozi – Feed” double augers providing positive salt feed even with wet material, driven hydraulically through a heavy duty high load hydraulic motor
- Pozi-Feed augers run in maintenance free nylon bushes
- Manually adjustable application rate valve (graduated)
- Hydraulically powered from the tractors auxiliary hydraulic circuit (spool valves)
- Spreading action controlled by activation and de-activation of the tractor auxiliary hydraulic circuit (spool valves)
- Auger reverse switch
- Galvanized pitched mesh, complete with access hatch
- All metal work blast cleaned, prior to zinc rich powder prime and finished in polyester powder coat finish
- Rear mounted LED road lighting
- Fluorescent markings on the rear

Tractor

- Large Sized Tractor fitted with fully glazed cab and heater
- Diesel water cooled engine 75 to 100 hp
- Mechanical Transmission
- Selectable 2 and 4 wheel drive
- Power-assisted steering
- Beacon
- Full road legal lighting including indicators, headlights, brake lights etc.
