

STARGREEN AS300PRO / AS400PRO

AS400Pro shown with optional triple nozzle holders

TRACTOR MOUNTED AMENITY SPRAYERS

The StarGreen AS300 / 400 are very popular compact tractor-mounted amenity sprayers. Both are high specification sprayers designed for the professional user who will regularly spray sports and/or amenity turf. As standard they are both supplied with a top specification 3-cylinder diaphragm pump to ensure the best possible spray pattern, stainless steel combined clothing and clean water tank and stainless steel induction bowl incorporating a can wash. Options include foam bout marker and triple nozzle holders. Designed and made by VALE Engineering in Great Britain.

SPECIFICATION

- 300 or 400 litre polypropylene tank with tank lid and deep basket filter
- Category 1 mild steel powder coated frame
- 3-cylinder diaphragm pump
- 3 section manual control with balanced return
