

STARGREEN AS600PRO / AS800PRO

AS600Pro shown with optional triple nozzle holders, foam bout marker and in tank rinse system

TRACTOR MOUNTED AMENITY SPRAYERS

These are the two largest sprayers in our tractor-mounted amenity sprayer range. They are ideal for professional greenkeepers and groundmen who have large grass areas to maintain and want to work as efficiently as possible. As standard, both feature in-cab electric boom section controls. Options include foam bout marker, triple nozzle holders, suction fill valve and boom extensions up to 10m for highly productive spraying. Both AS600Pro/AS800 Pro are regarded by professionals as being top quality sprayers, ideal for high quality sports and amenity turf. Designed and made by VALE Engineering in Great Britain.

SPECIFICATION
